25X1A

FROM: [REDACTED] C.O.

25 October 1965

SUBJECT: Recreational Facilities

25X1A

TO: [REDACTED]

1. It is requested that certain recreational facilities be provided. These follow:

a. A combination, Tennis, Badminton, Volley Ball and Basket Ball Court, open air, be provided. The surface of the court should be cement or asphalt. The standards should be moveable in order to quickly convert the court from one function to another. Please note the attached drawing.

b. Exercise area. This should be an area, covered about 48' x 48'. The floor should be concrete. It is intended to place exercise equipment, weights, and other exercise machinery within this area (The Project will furnish this equipment). Note attached drawing.

c. Putting Green (Golf).

d. Driving net, spread between two of the antenna poles (Golf).
